Herbal Medicine Making Series A Six Week Series with Herbalist, Karen Rose

Have you always been interested in plant medicine? Have you purchased plant medicine preparations and thought how it was made, and have wanted to make your very own? Have you studied plant medicine, but are still not so sure on all the ways we can prepare it for use by our families and our communities? Yes?!

Then this is the course for you!

This 6 week class will open you up to the world of medicine making. Herbalist Karen Rose, Owner and Master Herbalist at Sacred Vibes Apothecary will provide hands on guidance as you make your very own medicinal blends. Karen believes strongly that our medicines should be individually designed, consciously prepared and taste delicious! Join us!
